COLLEGE SNAPSHOT

A national English college built for international learners

EnglishWise Global combines CRICOS delivery, student support and a six-city Australian campus network.

6 CRICOS-APPROVED LOCATIONS	100,000+ STUDENT SUCCESS JOURNEY	14+ YEARS OF BRAND EXPERIENCE	AUSTRALIA NATIONAL CAMPUS NETWORK
--	---	--	--

EnglishWise Global builds on the EnglishWise education heritage, with a focus on helping international learners achieve measurable English-language progress and prepare for their next step in Australian education.

What defines EnglishWise Global

CRICOS college Formal English-language education for international learners.	Six-city access Study options across major Australian education destinations.
Pathway focus English preparation designed to support progression into further study.	Established heritage Backed by a long-standing English education brand and student-success history.

OUR STORY

From English-language success to an Australian college platform

EnglishWise Global represents the next stage of a student journey that began with specialist English coaching and grew into formal international education.

Founded from the international student experience. EnglishWise began after its founder experienced first-hand the English testing and migration journey in Australia. The original purpose was simple: make English progress more structured, practical and achievable.

EnglishWise Global extends that purpose into the college environment. The focus is broader than an exam score: it is about preparing international learners to communicate confidently, study effectively and progress toward their next academic destination.

Our vision

To create a community of successful international learners who can progress confidently through education, employment and life in Australia.

Our purpose

To deliver structured English-language education that supports measurable progress and creates stronger bridges into further study.

Our partnership ambition

To build meaningful relationships with universities, colleges, education agencies and migration professionals across Australia and international markets.

Our student promise

A professional, supportive learning environment with clear expectations, progress monitoring and practical preparation.

AUSTRALIAN CAMPUS NETWORK

Six CRICOS-approved study locations

Our footprint allows institutional and agent partners to offer English-language study across multiple Australian destinations.

Sydney CBD International learner delivery with access to the EnglishWise Global academic and student-support framework.	Melbourne CBD International learner delivery with access to the EnglishWise Global academic and student-support framework.
Brisbane International learner delivery with access to the EnglishWise Global academic and student-support framework.	Gold Coast International learner delivery with access to the EnglishWise Global academic and student-support framework.
Adelaide International learner delivery with access to the EnglishWise Global academic and student-support framework.	Perth International learner delivery with access to the EnglishWise Global academic and student-support framework.

Why the network matters

A multi-location model gives pathway and recruitment partners greater flexibility. Students can consider English-language study in the city that best suits their education plan, while partners can work with one college relationship across several major Australian markets.

ENGLISH PROGRAMS

English preparation for study, progression and confidence

EnglishWise Global's CRICOS delivery is centred on English-language education for international learners.

General English Develops speaking, listening, reading and writing for everyday, social and study contexts, with progression through structured levels.	English for Academic Purposes (EAP) Builds the academic language and study skills learners need to participate more confidently in further education.
PTE Examination Preparation Structured English and test preparation supporting learners who require PTE outcomes for their next step.	IELTS Examination Preparation Skills development, exam strategy and targeted practice for learners preparing for IELTS.

The wider EnglishWise education ecosystem also has experience across PTE, IELTS, OET, CELPIP, LanguageCert, NAATI CCL and ISLPR coaching. For institutional pathway discussions, however, EnglishWise Global's focus is the formal CRICOS college offering and the English preparation students need before progression.

PATHWAYS TO FURTHER EDUCATION

Building bridges from English study to the next qualification

EnglishWise Global is seeking pathway relationships that create clearer progression opportunities for international learners.

1	2	3	4
ENGLISHWISE GLOBAL	ENGLISH PROGRESSION	PARTNER INSTITUTION	FURTHER QUALIFICATION
International learner enrolls in an appropriate English program.	Learner develops language and academic readiness.	Progression under an agreed pathway or entry arrangement.	Certificate, Diploma, Bachelor or postgraduate study, subject to partner entry requirements.

Potential partnership outcomes

English-language pathways Recognised English preparation and progression arrangements, subject to academic review and formal agreement.	Packaged study journeys Opportunities to align English study with a student's intended subsequent program where regulatory and partner requirements permit.
Referral relationships Mutual referral opportunities between EnglishWise Global and partner institutions.	Academic collaboration Ongoing dialogue around student readiness, transition, English support and progression.

FOR UNIVERSITIES & COLLEGES

A stronger bridge into further study

EnglishWise Global can support partner institutions by preparing international learners before they progress into more demanding academic environments.

WHY PARTNER WITH US?

One English partner.
Six Australian locations.
A clearer student journey.

01

Student readiness

Structured English preparation before progression.

02

National footprint

Six CRICOS-approved locations across Australia.

03

International pipeline

Learners already planning their next education step.

04

Collaborative growth

Pathways, referrals and co-marketing opportunities.

What we can build together

English-language pathways • packaged progression • referral arrangements • student information sessions • academic collaboration

FOR EDUCATION & MIGRATION PARTNERS

One college relationship. Six Australian destinations.

Give international learners more choice while keeping the English-study journey simple for your team.

SYDNEY	MELBOURNE	BRISBANE
GOLD COAST	ADELAIDE	PERTH

A simpler partner proposition

1

Place

Match learners with an appropriate EnglishWise Global study location and English program.

2

Support

Work with a responsive college team focused on international learner communication and progress.

3

Progress

Connect the English stage to a suitable next education step as pathway relationships develop.

STUDENT EXPERIENCE

Progress is the pathway

Strong institutional relationships start with students who are engaged, supported and increasingly ready for their next academic environment.

The experience behind the outcome

Academic structure

Clear delivery, learning outcomes and expectations.

Student support

Guidance for international learners studying in Australia.

Consistency

A common operating framework across the campus network.

PARTNERSHIP MODELS

Built around the student journey

Partnerships can start simply and deepen over time as academic, admissions and commercial alignment develops.

01

CONNECT

Referral relationships

Create a reliable channel between EnglishWise Global and suitable education partners.

02

PROGRESS

English-language pathways

Define clearer progression opportunities, subject to academic review and formal agreement.

03

GROW

Strategic collaboration

Explore packaged journeys, information events, co-marketing and international group opportunities.

LET'S BUILD A PATHWAY TOGETHER

English education can be the beginning of a much bigger student journey

EnglishWise Global is seeking relationships with universities, colleges, education agencies and migration professionals who want to create stronger progression opportunities for international learners.

6 CRICOS LOCATIONS	100,000+ SUCCESS JOURNEY	14+ YEARS OF EXPERIENCE	1 PARTNERSHIP VISION
------------------------------	------------------------------------	-----------------------------------	--------------------------------

For institutions Discuss English-language pathways, packaged progression, referrals and academic collaboration.	For education agencies Add a multi-city CRICOS English college to your Australian student-placement options.
For migration professionals Support clients who need English development as part of a broader study or migration journey.	For international partners Explore student recruitment, group programs and longer-term pathway opportunities.
